THREE EYES
Cannot possibly be found exactly
alike in every particular.
Especially is this true of defective
eyes—eyes needing glasses.
Even a different measurement in
the two eyes is quite common. One
eye may be perfect and the other
short-sighted; or they may have dif-
ferent degrees of the same defect, or
a different defect.

Is it any wonder then, you "have
never found a glass you could see
through?" Try us—we'll find you a
glass if you need it; if not we'll tell
you so.

SAME OLD STORY IN SCULLY CASE TOLD BY CHUNG

Chun Chung, who is alleged to have
been held up and robbed of more than
\$600 in a house in Kalihi the night
of February 3, was on the witness
stand in federal court this morning in
the third trial of the case of John T.
Scully, indicted by the federal grand
jury on an opium charge. Although
several witnesses are yet to be called,
the case may come to a close this
week.

The questions put to Chun Chung
on cross-examination today were simi-
lar to the ones asked him in the two
previous trials. He alleged he met
Scully the night of February 3 in Riv-
er street and, with two friends and
Henry B. Lewis, who was driving the
automobile, was taken to a house in
Kalihi, said to have been occupied
by McGrath, also under indictment
in the federal court. Several times
of a substance believed to be opium
were brought out, he testified, but he
refused to purchase them because
they did not bear the government
stamp. He further testified that upon
his refusal to buy the tins he was held
up by two men with guns, and his
money, more than \$600, was taken
from him.

A. M. Brown, deputy city and county
attorney; the court reporter in Cir-
cuit Judge Ashford's court; the Chi-
nese who is said to have accompanied
Chun Chung to Kalihi, and O. P.
Soares, federal court reporter, may be
called as witnesses.

Sure Way to Kill Rats

Worst and Most Expensive House-
hold Nuisance.

Millions of dollars of property are
destroyed yearly by rats simply be-
cause people do not appreciate the de-
structive power of rats and do not
know how easy it is to kill them.
Simply get a two-ounce box of
Stearns Electric Paste from your
druggist for 25 cents and use it at
night in accordance with the simple
directions, and in the morning there
should not be a rat in the house.

Nothing else is as effective as
Stearns Electric Paste in exterminat-
ing rats, mice, cockroaches and other
vermin. The government uses it in
its fight against rats. Directions in
15 languages in every package.—Ad.

AFTER SUFFERING TWO LONG YEARS

Mrs. Aselin Was Restored to
Health by Lydia E. Pink-
ham's Vegetable
Compound.

Minneapolis, Minn.—"After my little
one was born I was sick with pains in
my sides which the
doctors said were
caused by inflamma-
tion. I suffered a
great deal every
month and grew very
thin. I was under the
doctor's care for two
long years without
any benefit. Finally
after repeated sug-
gestions to try it we
got Lydia E. Pink-
ham's Vegetable Compound. After tak-
ing the third bottle of the Compound I
was able to do my housework and today
I am strong and healthy again. I will
answer letters if anyone wishes to know
about my case."—Mrs. JOSEPH ASELIN,
606 Fourth Avenue, Minneapolis, Minn.

Lydia E. Pinkham's Vegetable Com-
pound, made from native roots and
herbs, contains no narcotics or harmful
drugs, and today holds the record of
being the most successful remedy we
know for women's ills. If you need such
a medicine why don't you try it?

If you have the slightest doubt
that Lydia E. Pinkham's Vegeta-
ble Compound will help you, write
to Lydia E. Pinkham Medicine Co.
(confidential) Lynn, Mass., for ad-
vice. Your letter will be opened,
read and answered by a woman,
and held in strict confidence.

Finish College C

(Special Star-Bulletin Corre-
spondence.)
PUNAHOU, June 9.—Large
classes are grad-
uating this year, both
at the preparatory
and the college preparatory
schools. At the college preparatory
school there are 13 in the general course,
the commercial course, and
of 38 altogether.

At the preparatory school
largest class that has ever
graduated will leave the school
this year. Last year's class was the
breaking class for the preparatory
and this year's is the second largest
previous to last year the largest class
ever graduated was 55 students, but
last year broke this record by 10. This
year 61 students are being graduated.
The seventh grade, which will be
graduated a year from now, is expected
to be still larger, as there are more
than 70 in the class now.

The members of the different classes
are as follows:

FRIENDS HEAR RECITAL OF PUNAHOU MUSICIANS

(Special Star-Bulletin Correspondence.)
PUNAHOU, June 9.—A few friends
and students gathered in Miss Cad-
well's studio at Punahou yesterday to
listen to a piano recital given by Mary
Ruth Anderson and Cara Genevieve
Young, assisted by Mildred Chapin,
soprano. Especially noteworthy num-
bers in the well rendered program
were Miss Anderson's "From Flower
to Flower" by Kullak, with its difficult
octave work, and Oleson's "Papillon,"
whose delicate runs and rapid passage
work were given by Miss Young with
great facility and charm. Miss Chapin
has a sweet voice and her two songs
were very pleasing. Following is the
program:
Miquet..... Beethoven
Miss Young
From Flower to Flower..... Kullak

My Love's an Arbutus..... Old Irish
Woodpecker..... Nevin
Miss Chapin
Nocturne..... Chopin
Papillon..... Oleson
Miss Young
Child's Dreams..... Reinecke
Impromptu..... Meszkowski

MISS VESTA L. WILSON.

"Will you marry me?" was the brief
message received by Miss Vesta L.
Wilson, a student at St. Lawrence col-
lege, Canton, N. Y., one day last
month.

Glenn E. Jackson, physical direct-
or of the Honolulu Y. M. C. A., want-
ed to know. Miss Wilson cabled "Yes"
as a reply. Mr. Jackson then sent the
word "Hilarious" scurrying across the
wires, and has announced his engage-
ment.

This is but one chapter of a pretty
romance of high school and college
days, which covers a period of about
seven years. The last chapter will be

INSIDE OF HOUSE IS BURNED TO CHARCOAL

A loss of approximately \$2000 was
sustained by M. B. Ellsworth, Dia-
mond Head drive and Paki avenue,
early last night when fire of unknown
origin gutted the interior of his resi-
dence while the occupants were away.
A coal oil stove and a wood stove were
in the kitchen and Fire Chief Thurston
was unable to ascertain the blaze's
origin except to discover the fact that
the fire started in the kitchen. A
neighbor noticed the fire and turned
in the alarm. Strange as it appears,
the entire inside of the house was
burned to charcoal while the blaze
crept through to the exterior in one
place only.

HOW YOU MAY THROW AWAY YOUR GLASSES

The statement is made that thou-
sands wear eyeglasses who do not
really need them. If you are one of
these unfortunates, then these glasses
may be ruining your eyes instead of
helping them. Thousands who wear
these "windows" may prove for them-
selves that they can dispense with
glasses if they will get the following
prescription filled at once: Go to any
active drug store and get a bottle of
Optona; fill a two-ounce bottle with
warm water and drop in one Optona
tablet. With this harmless liquid solu-
tion bathe the eyes two to four times
daily, and you are likely to be aston-
ished at the results right from the
start. Many who have been told that
they have astigmatism, eye-strain,
cataract, sore eyelids, weak eyes, con-
junctivitis and other eye disorders, re-
port wonderful benefits from the use of
this prescription. Get this prescription
filled and use it; you may so strength-
en your eyes that glasses will not be
necessary. Thousands who are blind,
or nearly so, or who wear glasses
would never have required them if
they had cared for their eyes in time.
Save your eyes before it is too late!
Do not become one of those victims of
neglect. Eyeglasses are only like
crutches and every few years they
must be changed to fit the ever-in-
creasingly weakened condition, so bet-
ter see if you can, like many others,
get clear, healthy, strong magnetic
eyes through the prescription here
given.—Adv.
